MIT ASSOCIATES, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

1. Description of the Company and Summary of Significant Accounting Policies:

Description of Company:

MIT Associates, LLC ("the Company") was formed as a limited liability company and is registered as a limited purpose broker dealer under Section 15(b) of the Securities Exchange Act of 1933, as amended. The Company provides consulting, advisory, and private placement services to alternative asset investment managers.

The Company has a policy of reviewing the credit standing of each customer and/or other counterparty with which it conducts business.

In 2011, the Company entered into a marketing joint venture agreement with Hudson Partners Group, LLC and conducts its business under the "Hudson Partners Group, LLC" trade name.

Significant Accounting Policies:

Use of estimates:

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America (US GAAP). Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates used.

Cash:

The Company has deposits from time to time, in financial institutions in excess of the insured deposit amount. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash.

Accounts receivable:

The Company continuously monitors the creditworthiness of clients and, if applicable establishes an allowance for amounts that may become uncollectible in the future based on current economic trends, historical payment and bad debt write-off experience, and any specific customer related collection issues.

MIT ASSOCIATES, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

1. Description of the Company and Summary of Significant Accounting Policies (continued):

Revenue recognition:

On January 1, 2018, the Company adopted the Financial Accounting Standards Board (FASB), ASU 2014-09, Revenue from Contracts with Customers (Topic 606) requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of goods or services to customers. The updated standard will replace most existing revenue recognition guidance in US GAAP and permits the use of either a full retrospective or retrospective with cumulative effect transition method. The Company has analyzed the guidance in this new standard and has determined there will be no change in the manner the Company recognizes management fee, finder fee, and performance fee revenue. These will continue to be recognized in the period in which the fee is earned. Accordingly, the Company does not expect this guidance to have a material impact on its financial or regulatory capital.

Income taxes:

The Company is a limited liability company that has elected to be treated as an S Corporation under the applicable provisions of the Internal Revenue Code. Accordingly, items of income, loss, credits and deductions are not taxed within the Corporation but are reported on the income tax returns of the members for federal and state tax purposes.

Management of the Company has evaluated all significant tax positions as required by US GAAP and is of the opinion that the Company has not taken any material tax position that would require the recording of any tax liability by the Company. Generally, federal and state authorities may examine the Company's tax returns for three years from date of filing. Consequently, income tax returns for years prior to 2015 are no longer subject to examination by taxing authorities.

2. Property and Equipment:

	December 31
	<u>2018</u>
Office equipment	\$ 40,205
Furniture and fixtures	<u>76,858</u>
	117,063
Less accumulated depreciation	<u>(114,788)</u>
	<u><u>\$ 2,275</u></u>

On March 21, 2017, Elysian Capital Holdings, LLC executed a Purchase Agreement to acquire a 100% interest in the Company. This agreement was modified in August 2017 to change the acquired interest to 95%. Upon the execution of the agreement and a down payment of \$20,000, Elysian received 24.9% of the total membership interests in the Company.

6. Rule 15c3-3:

The Company is exempt from the provisions of Rule 15c3-3 under paragraph (k)(2)(i) in that the Company carries no margin accounts, promptly transmits all customer funds and delivers all securities received, does not otherwise hold funds or securities for or owe money or securities to customers and effectuates all financial transactions on behalf of customers on a fully disclosed basis.

Report of Independent Registered Public Accounting Firm

To the Members of
MIT Associates, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) MIT Associates, LLC (the "Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
